Recommendations:

✓ Do not place important graphic elements (logo, texts, images, etc.) in the first 50 mm from the top or in the last 50 mm to the bottom (see the next page template).
✓ Place in the central area (size W: 3200 mm H: 2300 mm) the graphic elements which should be visible in the front (see the next page template).
✓ Place in the 2 side areas (size W: 270 mm H: 2300 mm, positioned at 200mm from the artwork edges) the graphic elements which should be visible from the left / right side (see the next page template).
✓ The graphic colors may slightly differ from the colors on your screen or on other print proofs, due to factors such as: type of the printed material, ink type, print technology, your screen calibration, etc. If in doubt, we recommend you to request a print proof, prior to placing an order.

The pictures are for presentation only; your product might be slightly different!
